Found this via TripAdvisor Great spot loved that we got window service. The J&L Special burger was a wonderful complete burger. Mushrooms,cheese, two patties tomato,lettuce,sausage, sauce and bacon.Onion rings cook d to perfection. Shrimp and chips were a wow. Note this place for your visit to [Port Alberni](#). What [User](#) doesn't like about J & L Drive-In:

This is an old style drive in restaurant . It is eerily similar to an old style A & W , though they deny a connection . .

The hamburgers were OK but no better than that . Good onion rings . Service was good but as it is what it is , service does not matter that much . Price was fine . All in all , there are lots better than this but it was OK . J & L Drive-In is well-known for its traditional Canadian meals, prepared with the country's typical ingredients, as a snack, the delicious **sandwiches**, small salads, and other snacks are also suitable. Most of the meals will be prepared in the shortest possible time and served to you, and you can enjoy appetizing American food such as Burger or Barbecue. You can also look forward to delicious [vegetarian](#) cuisine, and of course, you should also try the **fine burgers**, to which side dishes like fries, salads, or wedges are offered.
