What [User](#) likes about Wayne's Family Restaurant: We love Wayne's food! We prefer to take out. Food is always ready quickly and is hot and fresh. Delicious food. Our faves are the boneless sweet and sour ribs and the chicken chow mein. Chicken balls are also great and lots of meat :). What [User](#) doesn't like about Wayne's Family Restaurant: Food was delish. I had read reviews that encouraged us to try it. They were right. The food is good. Price is good too but atmosphere is nonexistent. There was only 1 other table there when we were there. Owner and his son who were looking after us were very friendly. Just very worn 70s decor that needs a reno. Wayne's Family Restaurant from Estevan is a suitable bar to after work drink a cocktail, and sit together with friends or by yourself, And you can enjoy here fine American dishes like **Burger or Barbecue**. diners of the Wayne's Family Restaurant like the typical Canadian menus as well, many guests find it particularly great that they can try the *versatile, tasty Chinese cuisine*.
