Craved a hearty meal after being on the road all day and this restaurant did not disappoint. The sizzling beef, noodles, and veggie dishes were excellent. No leftover bag needed as my family devoured all that we ordered. The pot of tea was pricey considering that they were teabags but overall, we left happy. What [Kelly L](#) doesn't like about Welcome Back Restaurant:

Ordered szechuan chicken which I have ordered in other restaurants which is a breaded chicken with onions, green/red peppers, celery. But ordered it at Welcome back and got some gross dish. Called them to be told come back and they will make me the breaded one but it will be another \$16.00 and a 25 min drive to get there.

NOT Great customer service. Welcome Back Restaurant The brilliant Asian fusion cuisine will delight you, the perfect balance of traditional dishes and exciting new creations amazes!, many customers find it especially great that they can try the versatile, delicious Chinese cuisine. Of course, we must not forget the comprehensive diversity of coffee and tea specialties in this restaurant, and you can look forward to the delicious typical seafood cuisine.
