Great place if you are in a rush for breakfast. Good choice of the traditional eggs breakfast. Good price. Well situated on Don Quichotte boulevard which is the main artery of the island. What [User](#) doesn't like about Pataterie la Belle Province:

not clean, it smells the boullamite a toilet, pass not too much time because the girl is ordering you more to serve you coffee, the owner is more and more grating, according to me there are many other restaurants for lunch better than that and especially cleaner and welcoming. In the morning, a tasty brunch is offered at Pataterie la Belle Province in [L'Île-Perrot](#), which you can savour depending on your mood, In general, the meals are prepared quickly and fresh for you. Also not to be overlooked is the comprehensive range of **coffee and tea specialties** in this eatery, it is worth mentioning that the original Canadian menus are well received by the guests of the establishment.
