Worth the drive south 45min. after Hopewell Rocks visit. We sampled the apps with pinot grigio. Spring rolls with many Bay Scallops + coconut fried jumbo Shrimp + 2 excellent stuffed Crabcakes (not much filler, if any)... all done Right! Caught right off the boat outside our window view at low tide. What [User](#) doesn't like about Tides Restaurant:

Since we were arriving in the evening to the attached inn(parkland or Parkview), we decided to check this big restaurant out. Plenty of seating with hummingbirds buzzing around the feeders attached to the windows. Service was impersonal (was lacking the east coast friendliness) and food was deep fried everything. View of the small harbour and Bay was best feature of this place. Tides Restaurant from [Alma](#) is famous for its *savory burgers*, to which *tasty fries, salads and other sides* are presented, the versatile Canadian menus are a hit with the diners of the place. Moreover, they provide you **delicious seafood dishes**.
