Too expensive for what you get, food isn't really quality. Also, we'd given up gluten once in reservation, but the courts weren't considered much. Serving was good, sometimes excessively friendly, even. You'll find authentic Italian food at this Restaurant - think classic dishes like [Pizza](#) and Pasta, a delicious brunch is offered here for breakfast, in the morning. At the bar, you can still relax after meal (or while eating) with an **alcoholic or non-alcoholic drink**.
